## Gorenje Microwave BM171e2xg - 470348

|                                    |                               |
|------------------------------------|-------------------------------|
| Oven volume                        | 17 l                          |
| Control type                       | Manual control                |
| Combined heating                   | Microwaves + grill            |
| Control panel material             | Glass                         |
| Door material                      | Glass                         |
| Inner oven material                | Stainless steel oven interior |
| Door opening                       | Left                          |
| Door open type                     | Button                        |
| Oven doors                         | Double-glazed oven door       |
| Oven volume                        | 17 l                          |
| Number of power levels             | 6 microwave power levels      |
| Microwave power                    | 700 W                         |
| Number of infra heaters            | 1                             |
| Power of upper infra heater        | 1000 W                        |
| Technology of producing microwaves | Standard technology (HVT)     |
| Type of microwave distribution     | Rotating plate                |
| Control type                       | Manual control                |
| Input type                         | Button                        |
| Number of grill programs           | 4                             |
| Door safety bolt                   | Yes                           |
| Illumination                       | Yes                           |
| Rotating plate                     | Rotating glass plate          |
| Plate diameter                     | 24,5 cm                       |
| Grill rack                         | Rotating grid                 |
| Type of heating element            | Quartz                        |
| Nominal current of fuse            | 6 amp                         |
| Connected load                     | 1050 W                        |
| Cord length                        | 1 m                           |
| Dimensions                         | 290 × 194 × 300 mm            |
| Frame dimensions                   | 595 × 390 × 20 mm             |
| Net weight (kg)                    | 14,3 Kg                       |
| Gross weight (kg)                  | 16,2 Kg                       |
| height of the product              | 388 mm                        |
| width of the product               | 595 mm                        |
| Depth of the product               | 320 mm                        |
| Crunchpan                          | 194 mm                        |
| Gourmet Wave Technology            | 290 mm                        |
| Depth of internal space            | 300 mm                        |
| Min height of installation niche   | 380 mm                        |
| Max height of installation niche   | 380 mm                        |
| Min width of installation niche    | 567 mm                        |
| Height of the packed product       | 446 mm                        |
| Width of the packed product        | 650 mm                        |
| Depth of the packed product        | 405 mm                        |
