

BASIC INFORMATION

- 13.2lb/6kg drying capacity.
- 3200RPM for 110V/50Hz, 2800RPM for 220V/50Hz High spin speed with very low noise.
- AC controller with ABS brake.
- Equipped with the Gyroscopic technology, Super self-Balance system.
- Children lock.
- High energy efficiency, remove most of the water and detergent in 2-3 minutes.
- 5 minutes timer.
- Virtually no installation necessary.
- Much gentler on clothes than a conventional tumble dryer.
- Safe & reliable, easy to operate without panel.
- Compact.
- Stainless steel tub.

Loading Capacity: 13.2lb/6kgs dry clothes

Rated Voltage: 220V-
240V/50Hz; 110V/50Hz

Power input: 230W

Noise: ≤50dB(A)

Product Dimension: 13.70x 14.80x
25.60(inch), 34.50x 37.50x 72.00(cm)

Carton Dimension: 14.60x 14.80x
28.30(inch) 37.00x 37.50x 72.00(cm)

Weight: Net 25.4lb Gross 30lb

Net 12kg Gross 13.60kg

Quantity per Carton: 1pc/ carton

Certificate: CE, LVD, EMC, ROHS, ERP
By TUV

Energy Efficiency: EN14511, level A
