

## Gorenje Hood DT6SY2W

### Basic Information

- Product group                      Cooking hood
- Construction type                Free-standing
- Brand                                 Gorenje
- Product name / Family         Cooking hood
- Commercial code                 DT6SY2W
- Material body                     Stainless steel sheet
- Color chimney                    Stupid
- Material chimney                 Stainless steel sheet
- Installation type                 Stand-alone, wall-mounted
- Motor location                    Motor integrated in the hood
- Operating mode                    Convertible
- Current 10 A

### Features

- Type of manual control devices    Simplicity button
- Number of motors                    1
- Total power of the motors         200 W
- Number of speed settings         3
- Max. performance in venting performance    618 m<sup>3</sup> / h
- Max. capacity in circulation        572 m<sup>3</sup> / h
- setting                                ON/OFF
- Number of lights                    2
- Total power of the lights         40 W
- Max. noise level                    66 dB(A) re 1 pW
- Diameter of air outlet             150
- No-return airflow flap             Yes
- Grease filter material             Washable aluminium
