

Gorenje Built In Induction Hob IS646BG

Basic Information/Features

- | | | | |
|--|---------------|------------------------------------|-----------------------|
| ▪ Product name / Commercial code | IS646BG | ▪ Type of 1st heating element | Induction heater-octa |
| ▪ Commercial code | 731910 | ▪ Dimension of 1st heating element | 210X190 mm |
| ▪ EAN code | 3838782152986 | ▪ Power of 1st heating element | 2100/3000/0 W |
| ▪ Construction type | Built-in | ▪ Type of 2nd heating element | Induction heater-octa |
| ▪ Control type | Electronic | ▪ Dimension of 2nd heating element | 210X190 mm |
| ▪ Energy input | Electricity | ▪ Power of 2nd heating element | 2100/3000/0 W |
| ▪ Number of electric cooking zones | 4 | ▪ Type of 3rd heating element | Induction heater-octa |
| ▪ Number of induction plates | 4 | ▪ Dimension of 3rd heating element | 210X190 mm |
| ▪ Number of electric warming zones | 4 | ▪ Power of 3rd heating element | 2100/3000/0 W |
| ▪ Location of control panel | Hob front | ▪ Type of 4th heating element | Induction heater-octa |
| ▪ Basic external material of hob surface | Ceramic Glass | ▪ Dimension of 4th heating element | 210X190 mm |
| ▪ Hob color | Black | ▪ Power of 4th heating element | 2100/3000/0 W |
| ▪ Width of the product | 595 mm | ▪ Power on indicator | Yes |
| ▪ Height of the product | 54 mm | ▪ Plate on indicator | 4 |
| ▪ Depth of the product | 520 mm | ▪ Type of regulation | Step energy regulated |

Energy / Performance

- | | |
|--------------------------------|-----------|
| ▪ Electrical connection rating | 7360 W |
| ▪ Voltage | 220-240 V |
| ▪ Frequency | 50/60 Hz |
| ▪ Marks of conformity | CE,EAC |
| ▪ Net weight | 8,9 kg |
| ▪ Gross weight | 9,4 kg |
