ConnectLife - Voice control

ConnectLife - DrySync

ConnectLife - Laundry assistant

## General

Device type:	Washing machine	Energy class:	A
The effect of squeezing:	C	Noise level during centrifugation:	B
Noise level (spin) dB(A): 74		Glazed doors:	Door cover

## Efficiency

Washing capacity:	7 kg	Drum volume:	54 l
Spin speed 1/1:	1200 rpm	Spin speed 1/2:	1200 rpm
Spin speed 1/4:	1200 rpm	Motor:	Inverter PowerDrive brushless motor
Water container:	Yes	Program time (sensitive 30/40 °C):	67 min
Program time at 40°C:	195 min	Eco program duration:	181 min
Program time at 90/95°C:	218 min	Water consumption (Delicate 30/40 °C):	45 l
Water consumption (Cotton 40 °C):	50 l	Water consumption (Cotton 90/95 °C):	75 l
Water consumption (Wool 30 °C):	45 l	Water consumption per cycle:	44 l
Electricity consumption per cycle on the Eco program 40-60 degrees:	0.39 kWh	Electricity consumption per 100 cycles:	39 kWh

## Management

Wi-Fi management:	Yes, integrated	ConnectLife:	And
Screen type:	Electronic control with LED display	Drum lighting:	Yes
Start button:	Start/Pause		

## Program

Number of programs:	15	Basic programs:	Wool/hand wash, Synthetic mix, Cotton
Special programs:	Quick wash 20', Eco 40–60, Shirts, Pets, ExtraHygiene, Underwear program, PowerWash 59', Children's clothing	Additional washing programs:	Rinsing/softening, SteriTub - antibacterial program, Draining/Draining water

## Functions

Washing method:	TimeCare, Intensive wash, NormalCare	Additional features:	Setting the end of washing, Pump stop, Shortening the program on two levels, Pause, Saving personal settings, Adding clothes, Quick wash, High water level, Temperature adjustment, Spin off option, Easy ironing, Prewash
-----------------	--------------------------------------	----------------------	--

Function pair:	And
----------------	-----

Characteristics

SteamTech - parni generator:	Yes, a heater in the bathtub	Sound insulation:	Without protection
Beep:	SoftSound beep	Personalized settings for all programs:	And
Sensors:	Water level sensor, Temperature sensor, Weight sensor, Foam sensor	Cold wash:	With a button
Dosing container:	Dosing container with three compartments		

Security systems

Aqua STOP:	Yes	Flood protection:	And
Security lock:	And		

Specifications

Product width:	600 mm	Product height:	850 mm
Product depth:	545 mm	Width of packaged product:	640 mm
Height of packaged product:	890 mm	Depth of packaged product:	627 mm
Gross weight of the appliance:	64.7 kg	Net weight of the device:	63.5 kg
On the day:	220-240V	Connection power:	1900 W
Product code:	744069	BAR code:	3838782834561
EPREL number:	1939177
